DEBIT CARDS

Prepay your car parking at Dunedin Airport using one of our new carpark Debit Cards. A convenient way to pay for your car parking!

On entry to the carpark, your Debit Card is inserted into an entry machine at either of the two entries. On exiting the carpark you will insert your card into the exit machine at one of the three exits, at which time the cost of your use of the carpark is deducted from your Debit Card.

Your Debit Card balance will be displayed on entry and the balance remaining on the card will be displayed as you exit.

To assist you to calculate the cost of your parking the carpark rates can be found on the Dunedin Airport website www.dunedinairport.co.nz.

There is no expiry date for funds allocated to your Debit Card.

APS1

QUESTIONS

How do I top up my Debit Card?

Internet Banking

Payments can be made to the following account:

Bank: Westpac—Moray Place Dunedin

Account: 03-0905-0183200-00

Particulars: Your Name or Company Name

Reference: Your carpark Debit Card number

Include Code: DEBIT

Generally all internet banking payments made before 10pm (excluding weekends) will be processed and your Debit Card recharged within 24 hours.

Automatic Pay Station (APS)

Top up your balance by inserting your Debit Card into the ticket reader of APS 1 (situated on the ground floor of the terminal, left hand end closest to the café).

Can I pay with Cash, EFTPOS or Credit Card?

You can pay with any of the above.

If you are using EFTPOS or a CREDIT CARD you will automatically be debited \$50 which will be added to your card balance. If you wish to top up by more than \$50 you will need to carry out multiple transactions.

REMEMBER each transaction will be for \$50.

A receipt will automatically be produced when you pay by EFTPOS or CREDIT CARD. Your receipt will be found in the base of the APS.

If you are using CASH the maximum you can top up is once again \$50. You can top up by any amount in cash up to the \$50 maximum. Once you've reached the top up amount you require press the CANCEL button to retrieve your card. You will not be given any change unless the value of the cash inserted exceeds \$50. If you require a receipt when paying by cash you MUST press the RECEIPT button.

Your receipt can be found in the tray located near the base of the APS.

Can I check my Debit Card balance?

By inserting your Debit Card into APS1 you are able to check your card balance. Press cancel and your card will be returned to you. (Ignore the message that pops up on the screen!)
